Experience

Freelance UI designer and builder

Currently, I design and develop digital media projects involving branding, illustrations, UI, frontend development in HTML & CSS and work in collaboration with other developers.

2019 - present

Hammoc UX/UI Design Lead

As a free-time side project, I take responsibility in the whole design process of the open-source app hammoc.

2019 - present

Loveco UI designer and builder

Re-designed and developed the frontend of existing online shop (Shopware) in a design team. Developed new CMS features using basic PHP to advance marketing campaigns.

2017 - 2019

Pagestreet UI designer

Designed and created interactive high-fidelity website prototypes for various clients.

2017
